Dear Sir(s)/Madam,

Sub: **Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 – Temporary shut down of furnace at Hindusthan National Glass & Industries Limited at its plant being Furnace No. 8 at Rishikesh, Uttarakhand.**

In terms of Regulation 30 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ('SEBI LODR Regulations'), we hereby inform you about an operational decision regarding our Glass manufacturing facility located at Rishikesh, Uttarakhand.

Summary:

The Company is in receipt of an assessment visit report dated March 7, 2025 from an expert technical agency with respect to Furnace No8 located at Rishikesh Plant of the Company. The assessment report has suggested that the furnace refractories exhibit corrosion and damage, which are typically observed towards the end of furnace's operational campaign. The crown is in compromised condition and cannot be recommended to run without risk of sudden collapse. Hence, it is advised to take shut down of the furnace immediately to avoid any emergency.

The said assessment report was put forth to the Committee of Creditors ("CoC") during the 37th CoC meeting, wherein members took note of the current condition of the furnace and recommendation laid down by the technical agency. Hence, post deliberations it was decided to temporarily shut down the said furnace till the time same is taken for rebuild in line with the recommendation of the technical agency and in view of the safety of employees and assets of the plant.

Therefore, an action to temporarily shut down Furnace No. 8 at Rishikesh has been initiated. The operational disruption caused due to closure of Furnace No. 8 at Rishikesh may be considered as a material event and thus the Company is making the disclosure as per Regulation 30(4) SEBI LODR Regulations.
